J. E. Nelson presented us with two of the latest apples we have seen this season. One weighed a pound and measured 14 inches around. The other was a little lighter and smaller, but both were very fine specimens of what Mr. Nelson calls Bug Horn, but many people call the Pound Pippin. The apples were grown on what is known as the Johns place, three miles west of town. Mr. Nelson plans to spray another year and is preparing to look after his small orchard in the proper way. Fruit generally this year is more free from worms than for many years due to the cold weather early in the spring when the moths lay the egg in the blossom for the worm that spoils the fruit later.

We learn that Mr. Oscar E. Hassler, of Birmingham, Ala., and Miss Myrtle Savage, of Decherd, were married September 1, at the home of the bride's parents, Mr. and Mrs. W. B. Savage. The groom is an electrician in the employ of the United States Steel Corporation and has numerous friends and relatives in this county. The bride and groom left immediately for Birmingham, where they will make their future home.

The outlook for a heavy mast is at this time favorable. Should dry warm weather follow the present wet spell there will be many thousand pounds of pork in the woods at no cost to the owners of the hogs. The number of hogs in the woods is far less than a year ago, we are reliably informed.

FOR SALE—New building, 40x40 feet, lot 25x150 feet; also grist mill, 16 inch, and new Economy engine, 7 horse power. Splendid location for garage. If interested call on D. C. Redwine or J. M. Williams, Crab Orchard. 9-15-41.

Mrs. P. V. Widener, who has been visiting with relatives and friends at different points in Virginia the past two weeks, is expected home the last of this week.

For Sale—Five-room, one-story house with hall; small barn, good well, one-half acre ground, well located. Will sell or rent. See J. W. Buttrum. 9-8-41

Gained Ten Pounds

Before Taking ZIRON, Alabama Man Was Weak, Nervous, Had No Appetite, But is Now Strong.

EVERY man and woman, who is in a run-down, weak condition, with bad complexion and poor appetite, due to lack of iron in their blood, should find Ziron helpful and strength-building.

It is a scientific, reconstructive tonic, composed of ingredients recommended by leading medical authorities.

Describing his experience with Ziron, Mr. George W. S. Lanier writes from Jones, Ala.: "Sometime back, I was in a terrible condition. I was weak and nervous, and had a tired feeling all the time. My skin was muddy. I

had no appetite, and at morning I didn't feel like getting up. I was reading of Ziron and decided I would try it . . .

"Will say that Ziron is a good medicine. I have gained ten pounds in four months. Am strong and have a good appetite."

Ziron is a mild iron tonic, good for young and old. It helps to restore the system, when run-down by overwork, under-nourishment, caused by stomach or bowel disorders, or as a result of some weakening illness.

Get Ziron from your druggist. He sells it on a money-back guarantee.

Handing It to Him.

"Ad," said Eve, coyly, as she winked at the snake unbeknownst to Adam, "you are the one man in the world for me." Then she handed him the apple.

A revival meeting is in progress at the Baptist church with Rev. K. J. Gorbet as the principal speaker.
